Mountain View High School
El Monte, California
1971-72 First Edition

DEDICATION
to
DR. DAVID A. BERRY

We, the Mt. View High School Yearbook Staff are proud to dedicate our 1971-72 yearbook to Dr. David A. Berry.

We are sure that we could say without any doubt that Dr. Berry is the best principal that our fine new school could have. He has worked very hard to make our school and our first year the best possible.

So when you look back on the 1971-72 school year you will have fond memories of the fine job Dr. Berry has done for our school to make it better for the student body, and faculty.

The Aegir Staff

FOREWARD

As the year 1971-72 comes to a close we wish to pause for a moment and look back by way of this yearbook on its many interesting happenings. We hope the pictures and messages found here will reawaken happy memories and golden friendships of those brief fleeting, high school years.

It is not today it is in the future that you will appreciate the Aegir, by looking back on the 1971-72 school year, treasuring those memories this book has recorded for us.

The Aegir Staff

A New Way

In the beginning there were trees and rubble. Later this land of trees and rubble became a new way of life for many students.

This can be attributed to those who had vision and courage to see and carry out the needs of this community.

We the yearbook staff wish to thank all the wonderful people that made our new school possible and successful for the students.

Thank you
Yearbook Staff

PRINCIPAL'S MESSAGE

Congratulations to the students and staff members who have worked so hard to create this exciting first yearbook. You have produced the very first record of the people and events that have made up the founding year in which Mountain View High School was born. Your efforts to provide lasting and valuable historical communication have certainly been rewarded.

One great hope for all Vikings, students and staff members alike, is that we will continue to learn to communicate honestly with each other, we must indeed have something to say; that in gathering knowledge we will have developed wisdom and understanding so that each day we might apply our learning toward the solution of practical living problems.

Let us all purpose in our hearts, under God, to change the future for the better; to reach up through the new window of education provided at Mountain View High School and firmly grasp the many opportunities available. In so doing we will find that each of our lives will turn out better, more full, more genuinely valuable to others as well as ourselves, than otherwise expected.

It's a great privilege to serve as your principal. You are among the most wonderful persons to be found anywhere.

David A. Berry

Hi Vikings:

Mountain View High is now well on its way to becoming one of the best high schools in the Valley. As a student body you have far surpassed our expectations of achievement and desire.

As this our first year at Mountain View High School comes to a close we can look back upon many successful achievements. We need to remember these achievements. But we cannot forget that there are many more years ahead of us that must be accounted for. We are successful this year, but really, we have only just begun.

I would like to take this final opportunity to express my sincere appreciation to you for allowing me the privilege of working with you this year.

Jack R. Cline

Parent Teacher Association

The Parent Teacher Association is a group of men and women interested in the welfare of children at Mountain View High School. These active parents, with a central working force of approximately thirty, is certainly off to a good start with a spirit of co-operation and dedication in all their activities. The success of the Organization during this first year has been largely due to the capable leadership of Mrs. Pauline Clark, president, of the organization.

Guidelines and objectives of the P. T. A. for this year are as follows:

1. To promote the welfare of youth in the home, school, church, and community.
2. To raise the standards of home life.
3. To secure adequate laws for the care and protection of children.
4. To bring into closer relationship the home and the school, so that parents and teachers may co-operate intelligently in matters of mutual interest.

1st Row - Art Belis, Toni Olmos, Coach Casper. 2nd Row - Harry Shubin, June Shubin, Cecelia Wellinger, Virgil Nece, Jim Cosner, 3rd Row - Ed Giroud, Winnie Giroud, Mrs. Kakimoto, Mr. Cline. 4th Row - Helen Lennig, Carl Lennig, Al Rader, Pat Nakauchi. 5th Row - John Torres, Gil Hatton, Maxine Rader, Cora Casteneda, Albert Castenda.

Mountain View Booster Club

Booster's Club Officers: Jim Cosner, Ed Giroud, Toni Olmos, Harry Shubin, Virgil Nece, Chuck Nakauchi.

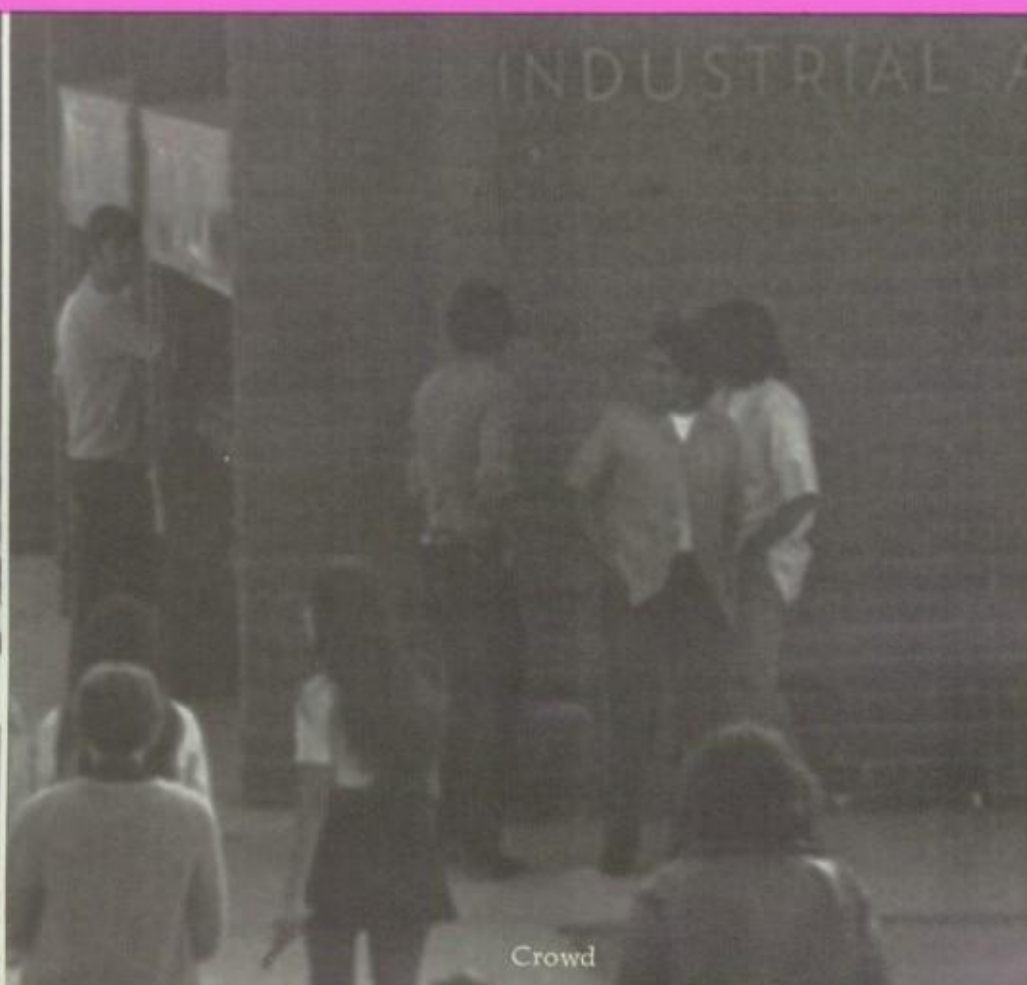

The Mountain View Booster Club is composed of parents and friends that are dedicated to helping keep a spirit of unity and strength in the sports program. We are fortunate to have those who are willing to donate extra time and effort to a very worthwhile educational experience. Our Booster Club has helped to make our first year at Mountain View a very good one. We want to thank all the involved parents, because they've really done a good job.

Espy Jimenez
Fall A. S. B. President

Espy Jimenez our first Fall Semester A. S. B. President did a fine job in getting our new school off to a good start. She had the honor of presiding at the dedication ceremony of our High School. Under her term of office we had our first Sadie Hawkins Dance in addition to the after game dances. Her success continued when she was elected Commissioner of Assemblies for the Spring Semester.

Tommy Cuevas has done a good job as our Spring Semester A. S. B. President. Besides being responsible for the morning announcements, he has been responsible under his term of office for the following activities: Noon dances, Cinco de Mayo program, busloads of students to TV programs. These are only a few of the activities under his term.

"We've got spirit, yes we do!" and they proved it through out the year. It began in the summer when our team of cheerleaders went to Redlands University to attend a cheerleading camp. Since then, they have kept pace with the winning Viking tradition. They brought back four championship ribbons which adequately proves their ability for service.

These girls have given many hours of their time to help boost the spirit of the school and show support for our teams. They have been fine examples of the PURPLE PRIDE. We would like to salute Pam, Annette, Jan, Linda and Mary for their fine S-P-I-R-I-T.

RALLIES,

Pep Rally
Assembly

Black Boy is the startling true story of a young negro boy's fight for survival as he is hemmed in by racial problem in the South. In Jackson, Mississippi, Richard Wright experiences a dark, lonely life at age six, a dirty street at seven and on his own at thirteen.

True spirit of an... fails to come out in...

By DE DE GALLOW
letting various clubs worry about the all-important things, such as dances, senate time is taken up to discuss what the class colors should be.

The problem of student awareness and involvement has plagued administrators, teachers, and club sponsors alike. Clubs that have long been a tradition at El Monte High are falling flat on their faces from debt and lack of enthusiasm, and those people that are griping are those that don't join and support these clubs and even care enough to keep them going.

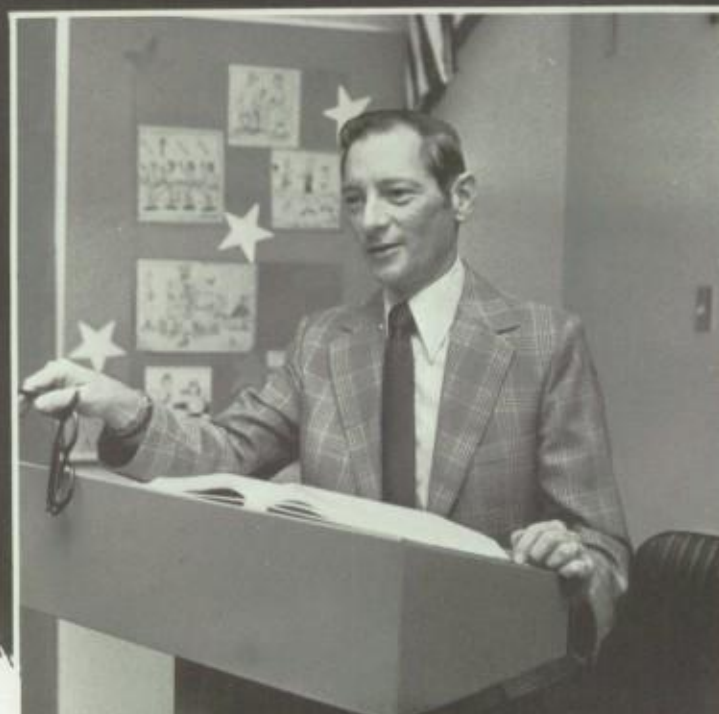

Time scheduled for senate meetings has also been used as a stake-out for kids who don't feel like going to class; however, half the time these ditchers wind up contributing the only worthwhile comments to the whole meeting. Or the next three meetings are devoted to one all-important subject such as, "I think such class competition."

First of all, he wasn't that funny fellow he was the funny underneath little kids' teeth. Ferd was a funny fairy though, he was phony fairy call the "real tooth you might call the problem."

Groups are constantly dividing into social groups for religious, ethnic, reasons. The purpose of always starts out with reason, but somewhere along the way, the ends get sidetracked with motives. Usually, this ends in a "social group" against the "other group."

Fri., March 10, 1972

the Pioneer Day celebration that was suggested that if Pioneer Day is celebrated at the same time as the House and Senate for May 5 then Cinco de Mayo be celebrated at the same time as the House and Senate. Another problem is that the date might be changed, so the date might be celebrated along with the Pioneer Day activities. If anyone has any suggestions about this topic please bring them to the next senate meeting. Everyone should attend his class meeting and help support class activities. Remember, the '50's dance will be March 17 from 9:00 to 11:30 and cost 50 cents with dress and \$1.00 without.

Sabbath maintains... Devil Worshippe...

By SHARON LAVASSER and ROB REINHOLD
repeating sounds of their songs. But when you're at a Sabbath concert and everyone is floating and spaced, you realize the criticism is unjust. Last year they held a concert with a big thing, the backing group. It turned out that the Forum held more Sabbath fans than Grand Funk fans. Some of those two nights. Some who just went to see Grand Funk's sounds. Forum having enjoyed the electricity of Sabbath's sounds. Be sure to catch Black Sabbath on March 15 at the Forum, with special guest stars, "Yes" and "Wild Turkey." Those who just want to see those with a flair for the "Buggery" will be at 8:30.

The Newspaper Staff, under the direction of Mr. Benscoter, is composed of the Journalism classes 1 and 2, which meets during fourth period everyday to publish our school newspaper.

...Ferd was to break-out with... ing experience. Ferd flipped over, and... ing, he started to fly! "Fun... Ferd screamed. "All you have to... is flip to fly! How funny! How far... out! How funky!"

Nowadays you can see Ferd rising off the ground, flying farther and freely. So remember, if you see Ferd flipping off the ground, don't fail to feel that he feels funny flip-ping around, but he has to flip to fly. Fly Ferd to Florida. . .

Maude, 'Billy Jack' rated top high school journalists

The eve of their wedding, Maude was taken down and Harold breaks down, then he to commit suicide, where he his hearse off it, in mourning Maude. What happened to Har- He's at the top of the cliff umming a banjo.

Authentic Indian dances, young people with problems, and stiff-necked townspeople are some of the ingredients that make up the incredible movie of Billy Jack.

The film revolves around a small town in Arizona and a school just outside the town for "misfit" kids. Billy Jack is a half-white half-Indian man who helps run the school. Negroes, Mexicans, Indians, and Anglos create a mixture of togetherness at the school where the kids are taught to express themselves by creating something. They also learn very quickly to be pacifists. The story shows how prejudiced townspeople treat the kids and the

Sue do Hyde takes

By LISA KATOLIN and SHARON LAVASSO

Sue Bryant becomes this week's female Senior Spotlight candidate. During her four years here, Sue has been an the Principal's Honor Roll for seven semesters. She has been on the Principal's Honor House of Representatives.

After Sue graduates she plans to attend Rio Hondo or PCC and per-haps major in home economics. "I like it, I see no sense in going on," states Sue, strong with her opinions. She also would like to be a wife, but she is in no hurry.

In her spare time, Sue works at Taco Bell, goes to Whittier, and cleans houses. Her hobbies include sewing, cooking, reading, knitting, and crocheting.

Buying and taking care of her own car is what Sue considers to be her greatest achievement so far. For her eighteenth birthday, January 27, Sue received her favorite pre-sent—rims for her car given to her by each member of her family.

Getting serious, Sue expresses her opposition of the government saying that capital punishment is uncon-stitutional. "I believe some people are naturally mean and will hurt or kill just because they want to and

Two years on the Varsity team and baseball team, three on a championship wrestling team and two semesters on the honor roll make up most of Charlie's life at El Monte.

Charlie has proven himself out-standing in sports, especially football and wrestling. This year he received the Most Valuable Player award for Varsity football. Charlie had no ex-pectations of getting the award and his feelings about receiving it were, "Great."

In wrestling, Charlie's record this year is 25 wins and two losses in tournaments. He placed first in the Montebello Tourney, second at the Northview League, and second at Whitmont C.I.F. pre-lims. When Charlie beats an opponent he "feels better than usual." He went out for wrestling because "I liked wrestling and just wanted to."

In his spare time Charlie plays basketball, goes bike-riding, and keeps in shape all year around by exercising a lot. He also enjoys 3 Dog Night and his dancing idol is Tom Jones.

After graduation Charlie plans to hopefully go to a four year college and play baseball as well as wrestle. If not, he will attend Mt. Sac or Ri Hondo College.

Two of Charlie's most embar-ssing moments were chasing pig Sadie Hawkins Day and being cheerleader at the donkey bas game last year. He feels the most unusual things about are "I've got freckles and cu The teacher that has Charlie—the most is "Por

Mountain

View's Dedication

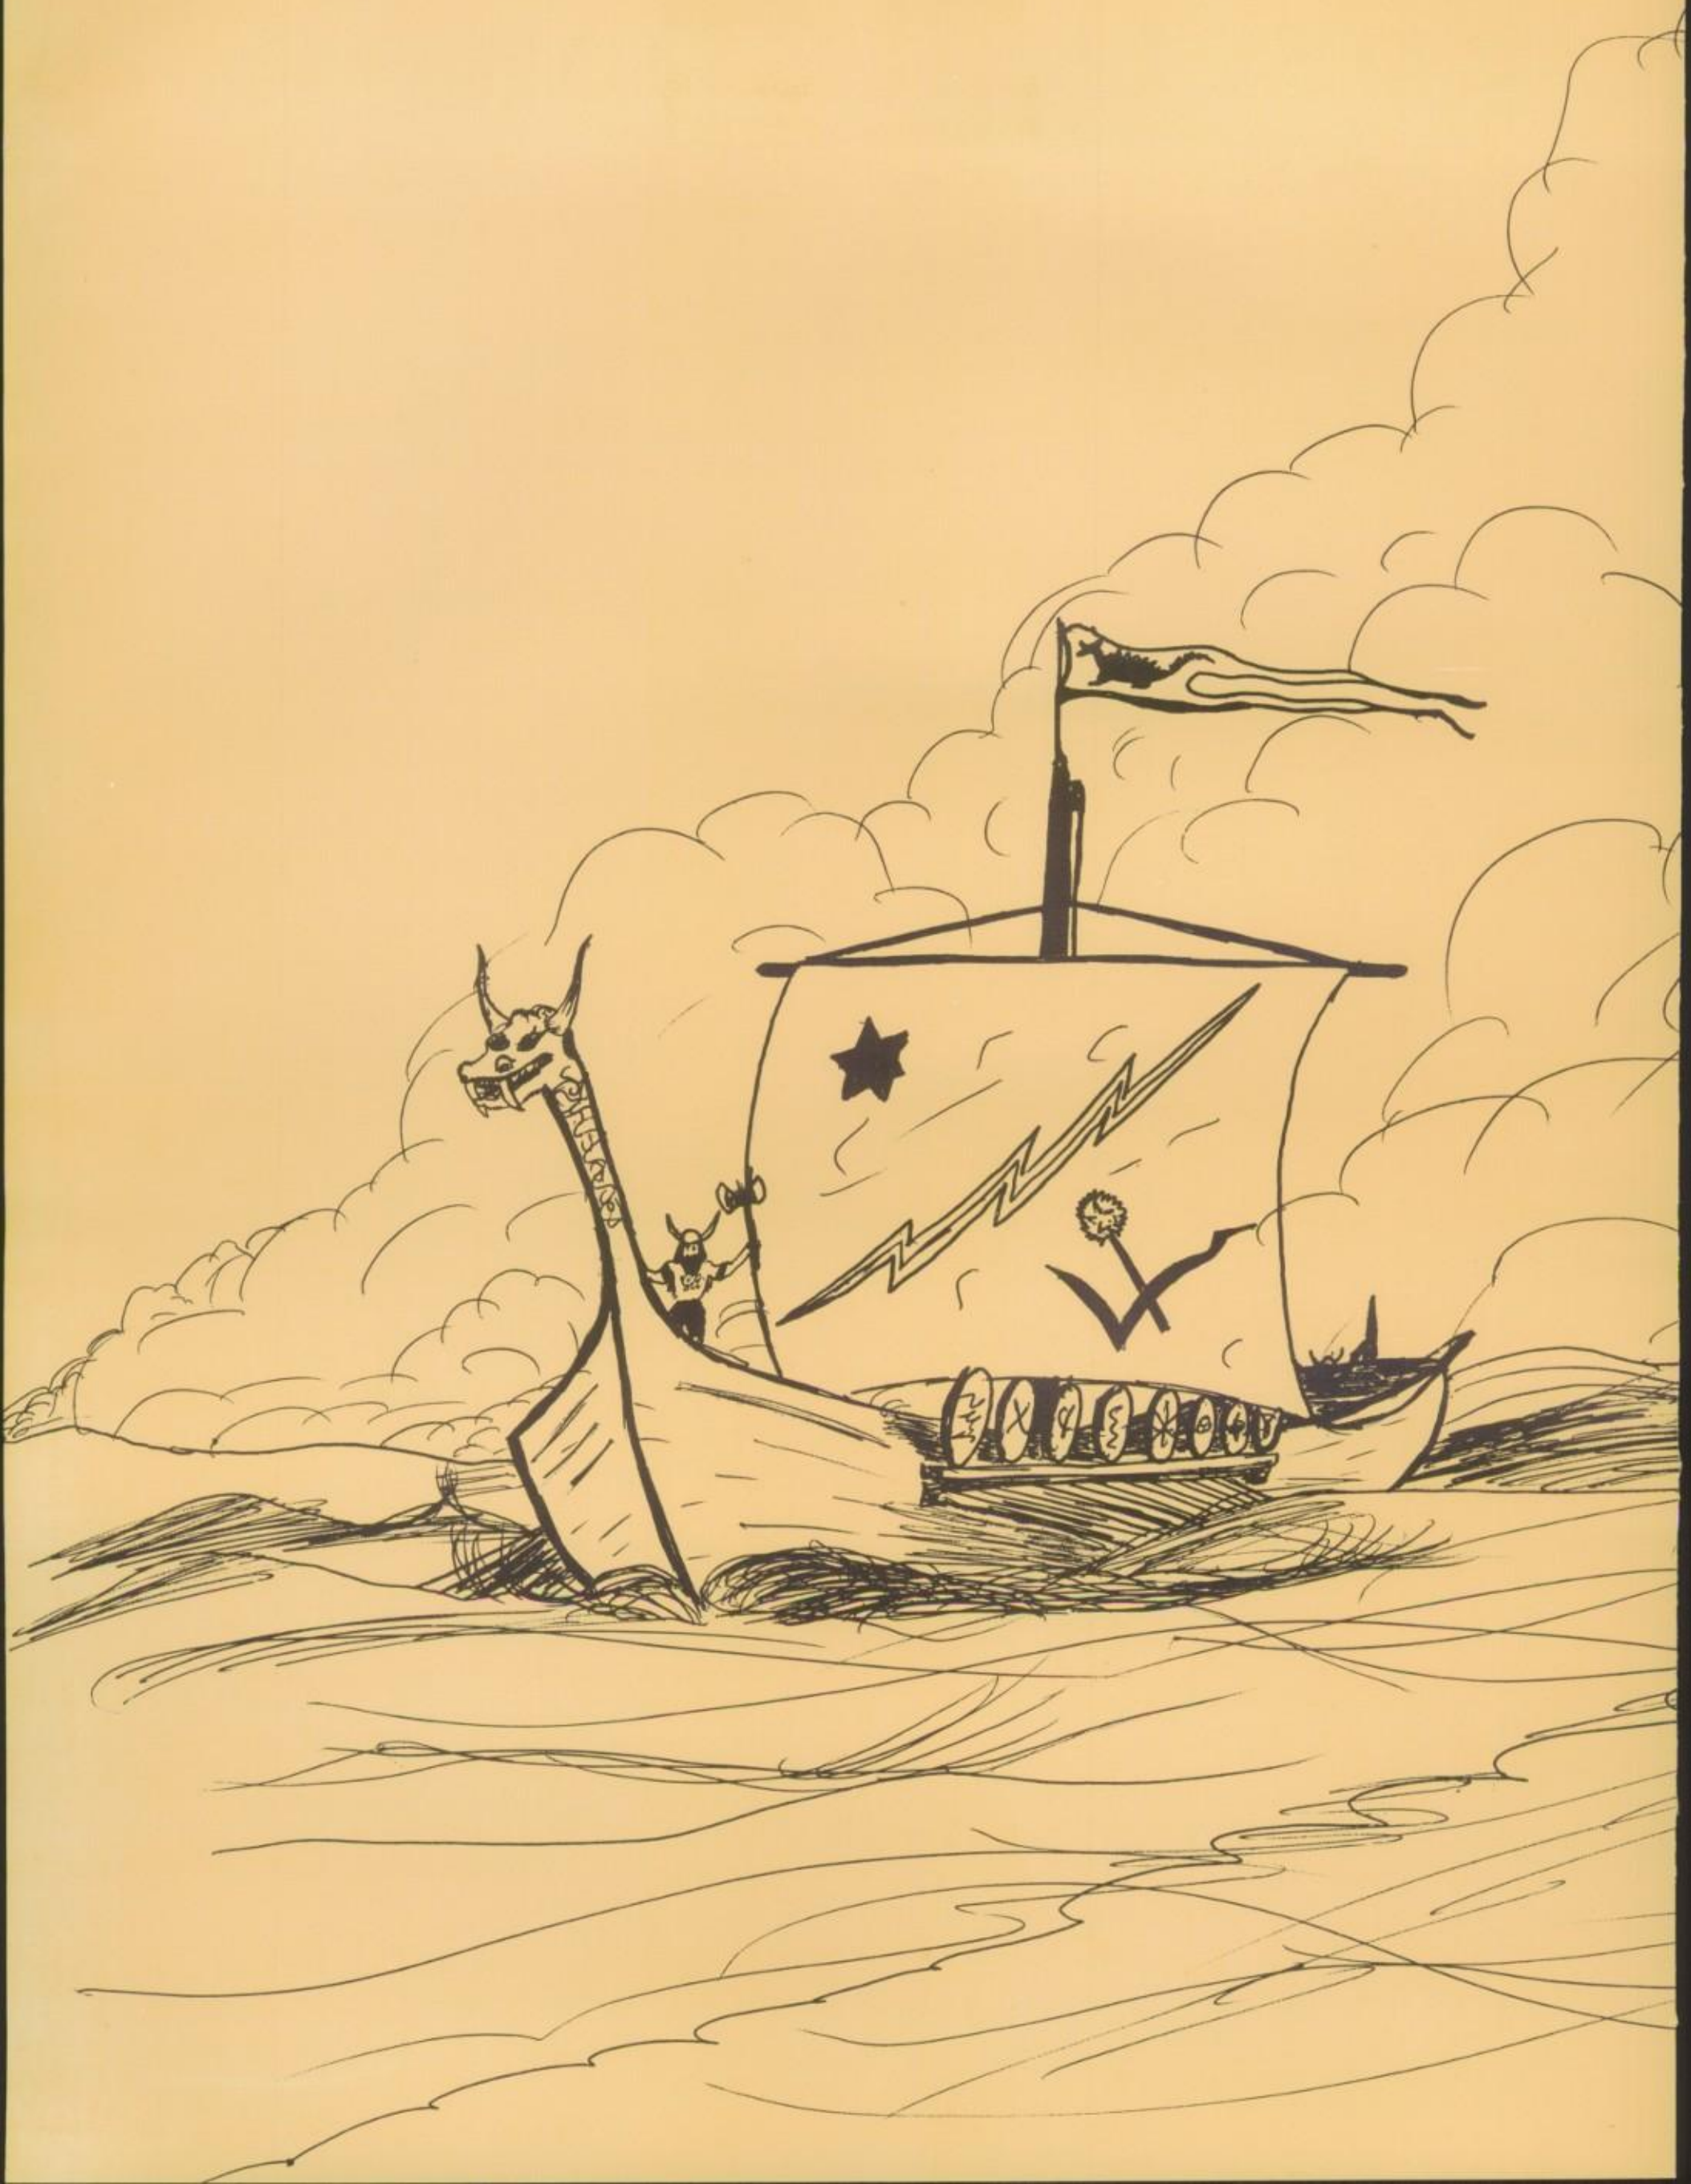

THE DEDICATION OF MT. VIEW

On the eve of the dedication ceremony (Nov. 21, 1971) the sky was dark, the rain was falling, and the weather reports were all but encouraging. What a pleasant surprise greeted the eyes of concerned people as they awakened Sunday morning and saw a clear, blue sky. The dedicatory services of the newest district high school was held as planned. Mr. Jack W. Salyers District Superintendent, called the service to order. The Pledge of Allegiance was led by Miss Espy Jimenez, first student body president, and the invocation was spoken by Rev. Robert Garcia, Director of the Christian Fun Center in El Monte.

The Ribbon Cutting Ceremony was conducted by Mrs. Patricia Galceran, President of the El Monte Union High School District Board of Trustees, assisted by Miss Espy Jimenez and Miss Frances Arvizu, Student Body Vice President. Father Micheal Hunt, Pastor of Epiphany Church in El Monte, gave the benediction. The audience of over 600 people, were then invited to the large Student Center for refreshments, served by Mrs. Mary McDonald, Cafeteria Manager and her staff. Also members of the P.T.A. and the Booster Club assisted guests in touring the campus.

VIKING HISTORY

Vikings were identified in history as "Piratical" sea rovers of Northern Europe and Scandinavia who raided the coast of other European countries between the eighth and tenth centuries (A.D.). Early raids extended in to much of coastal Europe and France. Later the raids conquered parts of England, Ireland, and Russia.

Later yet (about 1000 A.D.) "Eric the Red" and Leaf Ericson led warriors to the coast of Northern America.

The Vikings were warlike people. They made many major contributions to our world history. Most significant is the contributions they made to government and law in their own and other countries. Culturally they added to their own and other languages through the epic SKALDIC poetry and mythological sagas which became a part of Scandinavian, German and English literature.

Viking tribes were operated from both far northern and southern Scandinavian areas. War helmets helped identify their origins.

Vikings from Northern Scandinavia wore Helmets with horns (goats) affixed.

Vikings from Southern Scandinavia wore Helmets with winged effect (feathers).

Viking "religion" was built upon God figures and mythology. It is especially interesting to note that our English days of the week derived their names from "anglicized" versions.

EDITOR'S Last word understanding:

As the year 1971-1972 comes to a close, I wish to pause for a moment and look back by way of this yearbook on its many interesting happenings. I hope the pictures and messages found here will re-awaken memories.

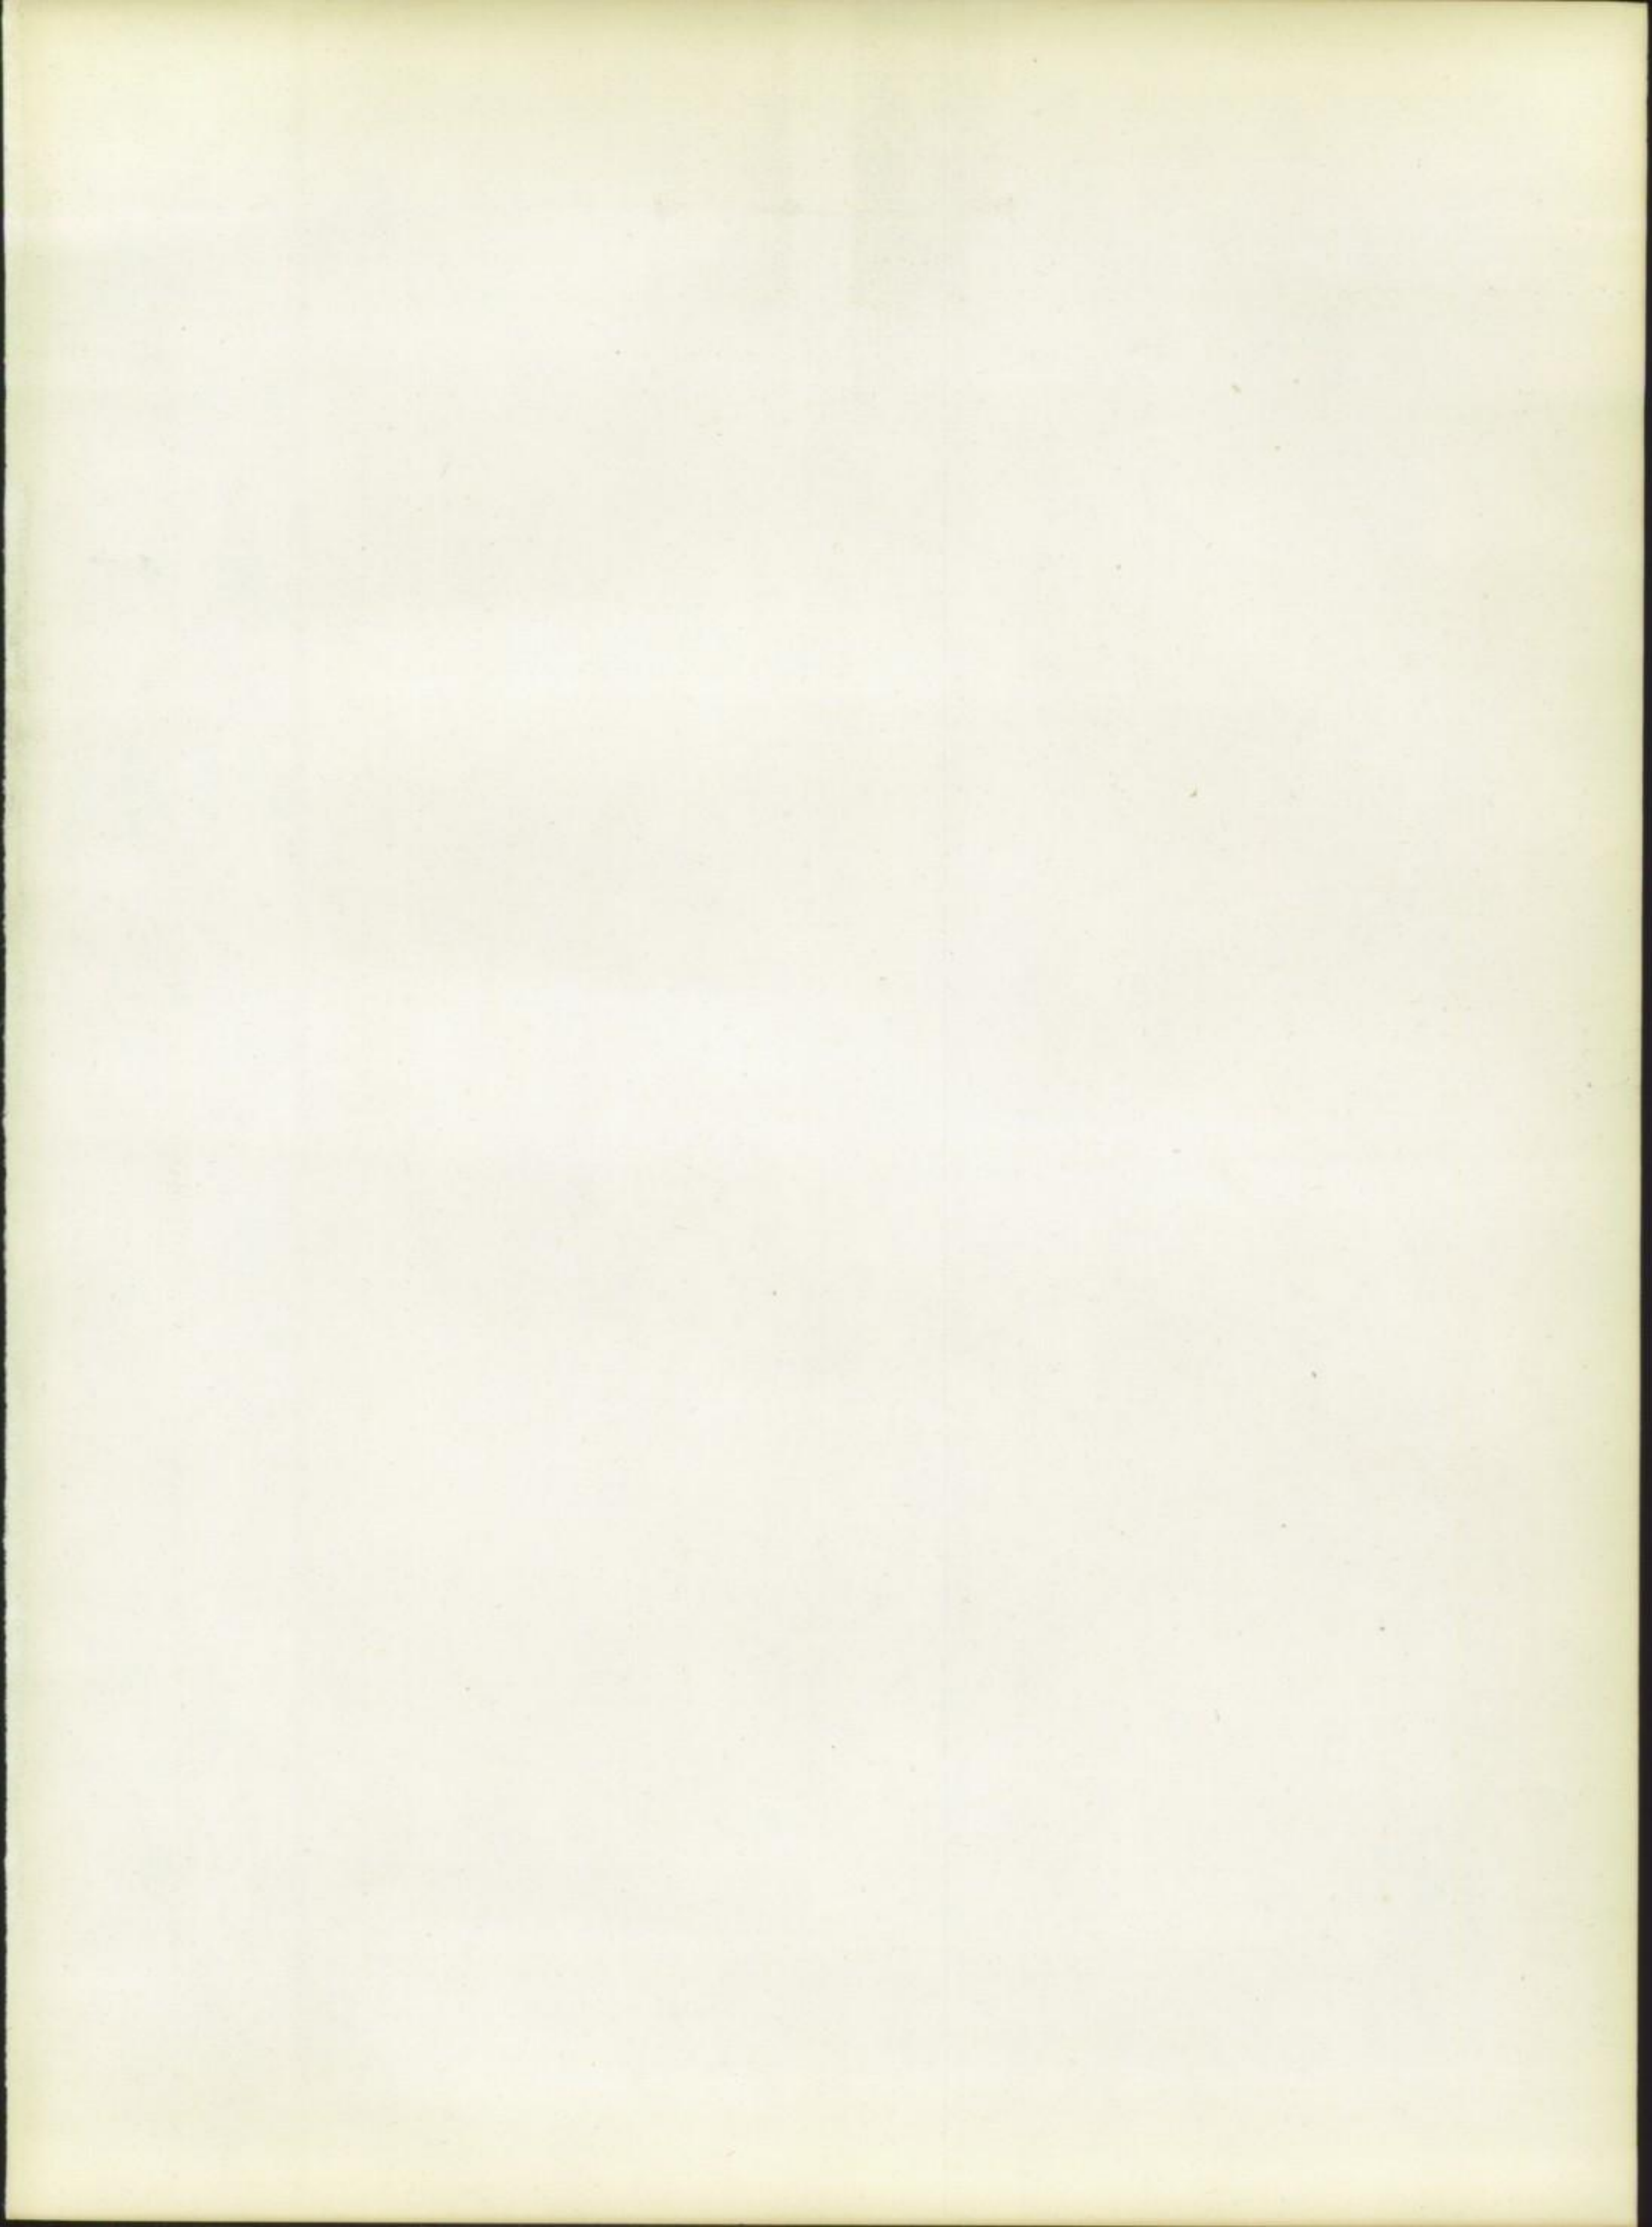

I would like to give special thanks to Mr. Little who was patient and understanding. Thanks goes to Miss Acosta and to those on the staff that help to publish this yearbook. I hope the student body will understand that you can never please everyone, but I hope that the work we have done will be satisfying to all of you.

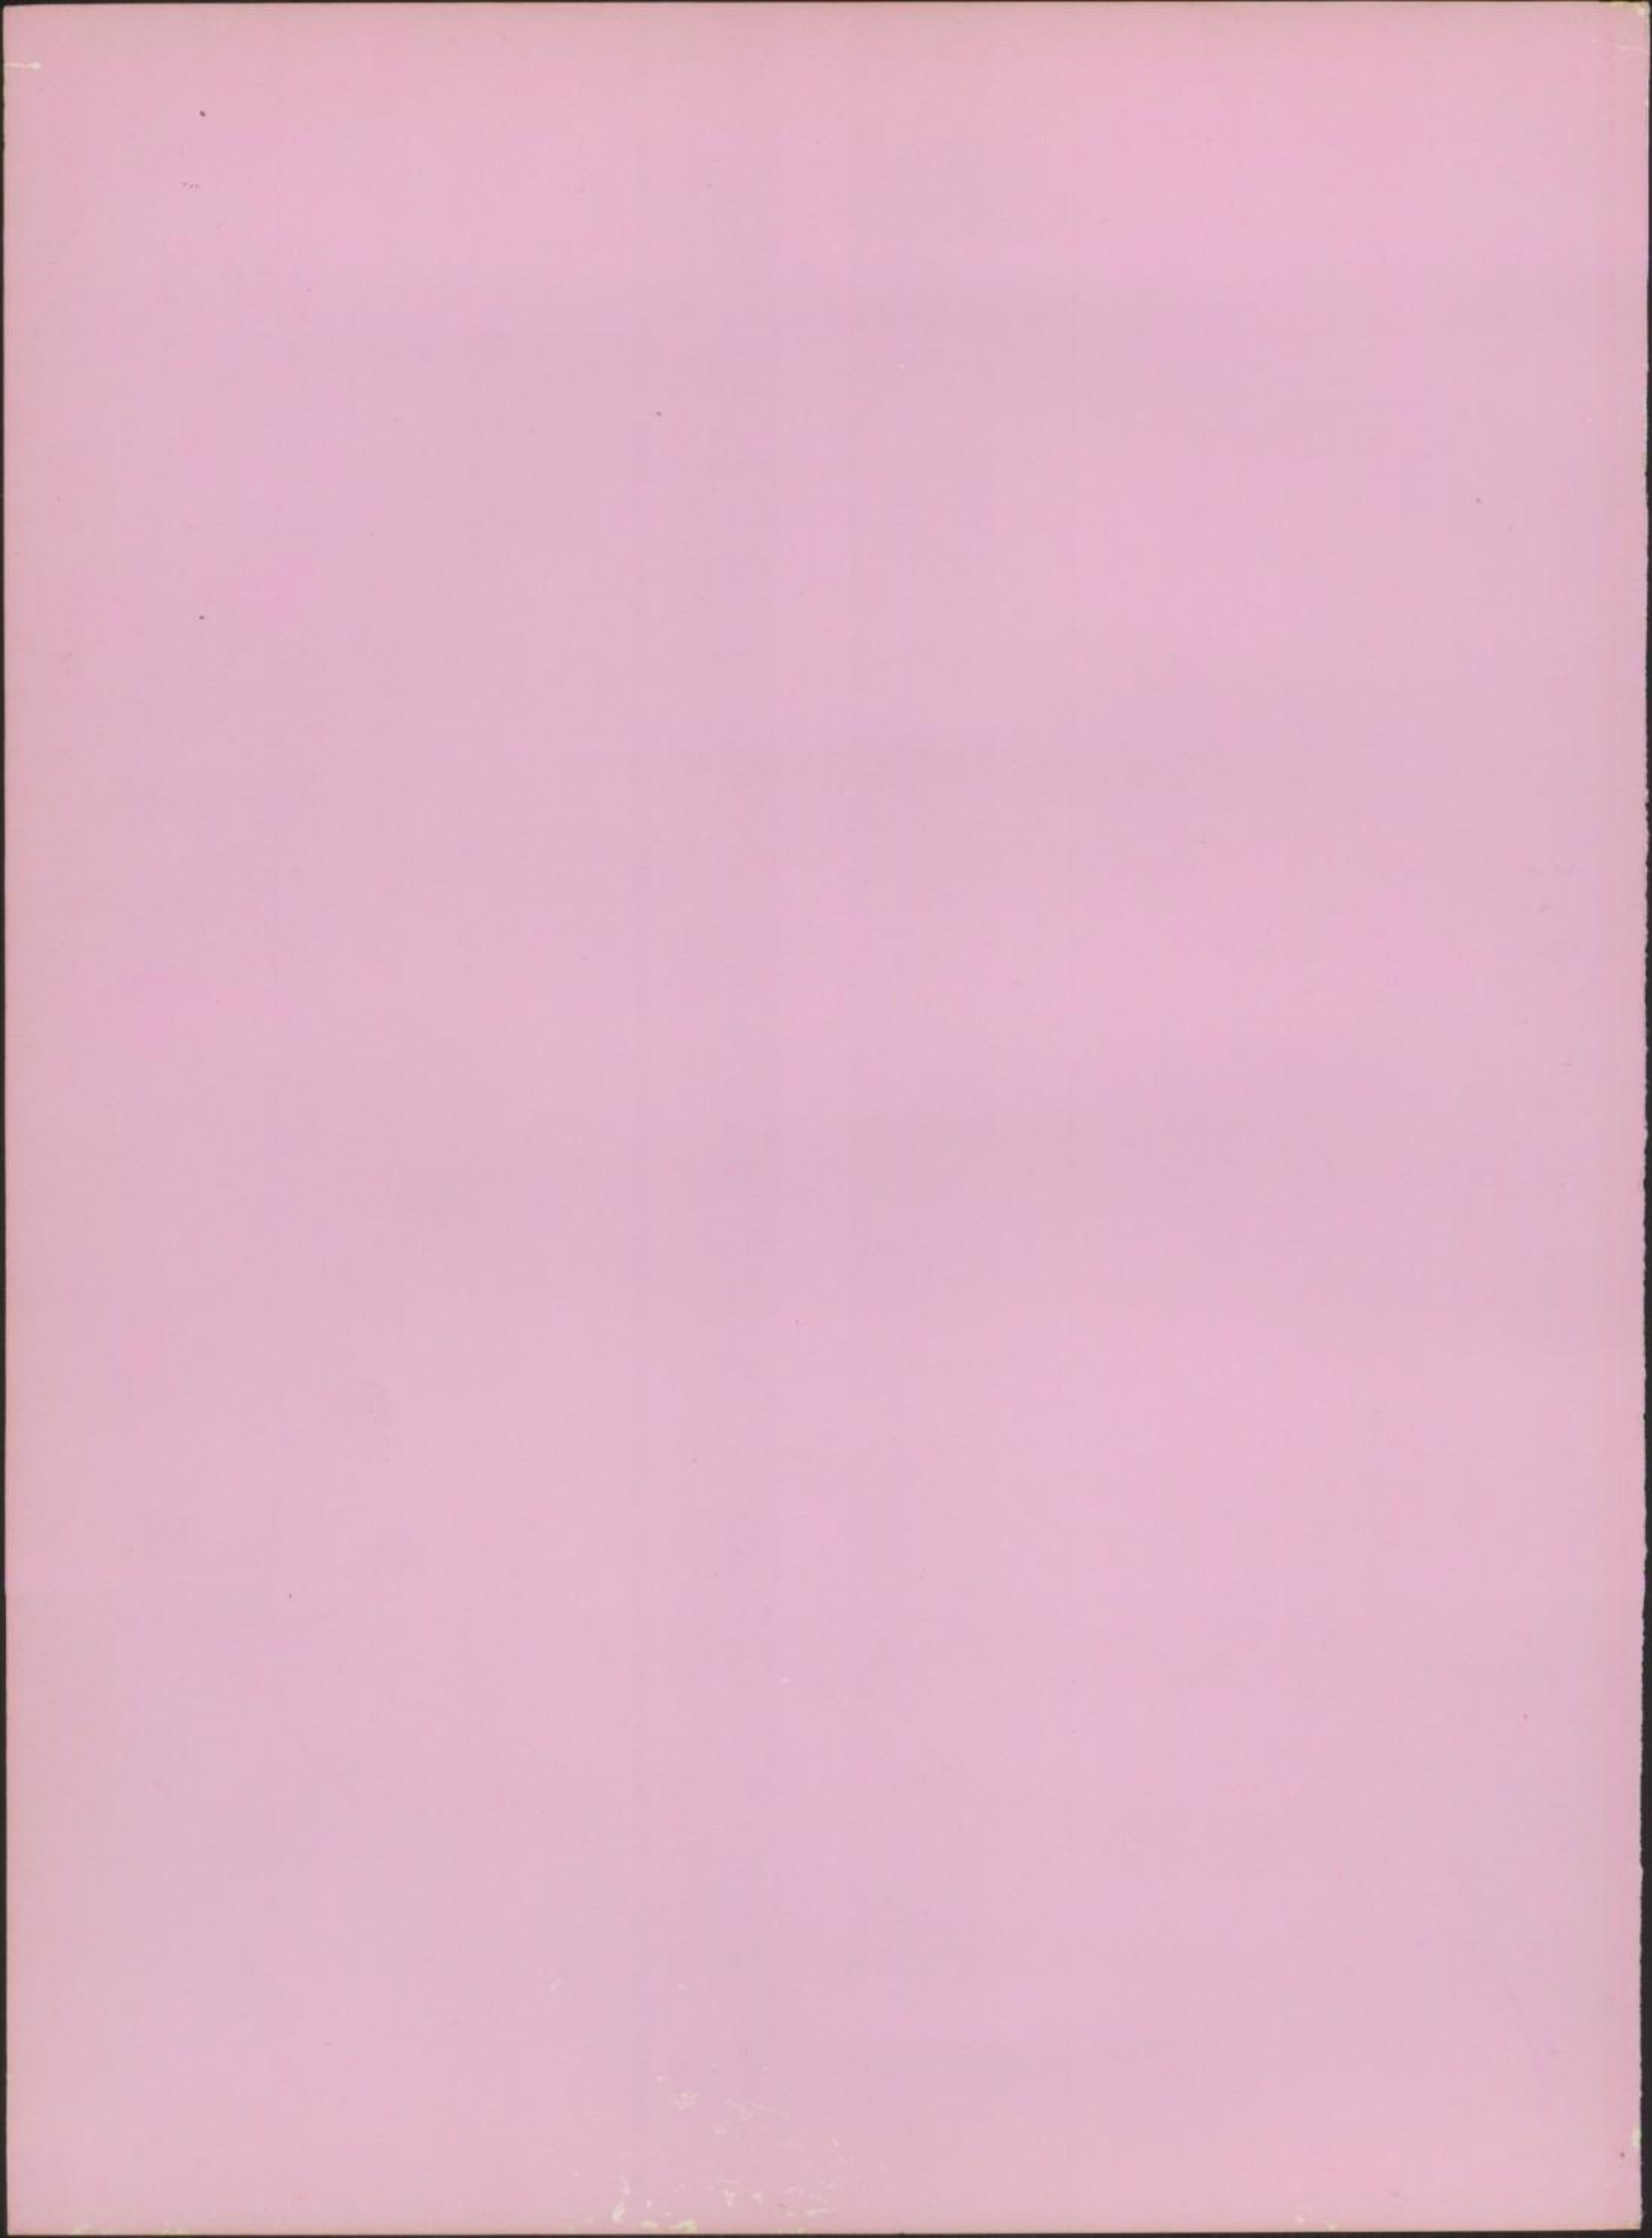

I have had the honor of being editor of the first edition of the Agier Yearbook. Thanks again, to all of those on the staff that have made this opportunity possible.

Thank You,

Glenda Franklin
